

Dear Partner,

Regarding the assigned Nato Stock Number to range of PowerBatt products (as shown in the Annex), we kindly ask you for close co-operation and coordination of any action towards military sector.

Since we agree military sector is very sensitive, please, make sure you let us know of any contemplated action towards military sector ahead of time and ahead of actual action so we can coordinate steps.

Please, route any kind of information in this regard directly to me anton.matasek@powerbatt.info or any of my colleagues:
Matej matej.riha@powerbatt.info,
Dusan: dusan.uhrik@powerbatt.info or
Zoltan: zoltan.tihanyi@powerbatt.info.

Thank you
